

*Augusto Perigault Falcón*

*In Memory of Augusto Perigault Falcón  
"Chichi"*

*Unselfishly took care of your ailing son, being both Father  
and Mother to Cusito, a role that few could live up to.*

*Affectionately called your grandnephew, David, "Milcito",  
during the short time that your lives overlapped. Forever in  
our hearts.*

*Your loving niece, nephew in-law, and grandnephew,  
Nilka Damaris, Julio and David*
