

*José Manuel Perigault Falcón*

*In Memory of José Manuel Perigault Falcón  
"El Rey"*

*Tia Madrina's granddaughter, Cecilia, said it all when she commented, "Hope José Manuel knows how much he was loved," a sentiment echoed by her son, Gary, and many others. You brought much laughter, joy, and imagination into our lives. Forever in our hearts.*

*Your loving niece, nephew in-law and grandnephew,  
Nilka Damaris, Julio and David*
